DuPont Sustainable Solutions
LEARNING & DEVELOPMENT
LEARNING MANAGEMENT SYSTEM
Deliver, Manage and Track Learning
- Role-based access
- Multi-language interface
- Powerful reporting
- Self-registration and scheduling of online and classroom training
- Third-party course hosting
- Local support for global enterprises

ASSESSMENT BUILDER
Identify Learning Gaps and Opportunities
- Build unique learning paths based on individual employee job roles and job knowledge
- Create customized assessments or surveys from a group of courses or from your own content
- Run detailed reports including test completion, scores and missed questions
- Generate a curriculum of courses based on a survey response

AUTHORING TOOL
Create Your Own Custom Online Courses
- Use a wide variety of storyboard templates
- Include self-checks and post-tests to assess employee competency
- Intuitive interface for rapid development

INTERACTIVE COURSEWARE
Engage Employees with Compelling Content
- Interactive, rich media delivery
- More than 1400 SCORM 1.2 compliant courses in safety, maintenance and reliability, and human resources
- 20+ languages available
- Branding options to increase relevance
- User-enabled course modifications — add video, graphics, and training points to make content site specific

Scalable applications with versatile implementation options
Manage users, curriculums and components as your learning needs evolve.
- Suite includes the Learning Management System (LMS), Interactive Courseware, Authoring Tool, and Assessment Builder.
- Standards training with measurable results
- Available on demand

Transfer Knowledge. Transform Performance.

Professional services
Ensure a successful e-learning deployment with hands-on training, implementation support and technical assistance that meet the unique needs of your organization.
- Implementation support including customization and integration with internal and third-party systems
- Custom content creation available
- Can be conducted on site, via phone and online – within the environment that best suits your needs
- Marketing support to drive enrollment in your e-learning initiative

Experience & reliability
As a Fortune 100 company, we bring our customers stability, resources and innovation leading to sustainable solutions and long-term relationships.
- More than 30 years of workplace training innovation
- Backed by DuPont’s 200 years of real-world experience – currently operating 210 sites in 90 countries
- Recognized as one of the world’s safest and most ethical* companies
- Courseware incorporates sound instructional design to facilitate the transfer of knowledge
- Content is reviewed by subject matter experts to help ensure compliance with health, safety, environmental, ethical and operational standards
- Self-certified compliance with the United States/European Union Safe Harbor Program

*Covalence Ethical Ranking Report 2009
